

Technology Acceptable Use Policy for Elementary School Students 3-5

1. I will model the FDR Mission Statement and the Learner Profile while using technology.
2. I will use respectful behavior when using technology at school.
3. I will be respectful and mindful of other's privacy when using technology to communicate with and about members of the Roosevelt community, whether in or outside of school.
4. I will treat all technology equipment with care and be responsible while using it.
5. If I don't know how to use any part of the computer equipment, I will ask for help.
6. I will keep my password private (even from my best friends) and I will respect other people's passwords. I realize that I am required to share my password with my teachers.
7. I will not open, delete, move or modify other people's files without their permission.
8. I understand that my work on the computer is not private and that my activities while using technology may be monitored and recorded.
9. I will use the computer primarily for appropriate learning activities:

- a. I understand that I am allowed to search the Internet using school databases, and I will use other search engines only with the permission of a teacher.

Images © Microsoft Clip Art

- b. I will only stream video, download files, listen to music, or use video chat for academic purposes.

- c. I will only play educational games that are made available through the school website.

- d. I will only view, send or display **appropriate** messages or pictures.

- e. I will talk to my teachers or parents if I feel uncomfortable with information I find in the computer.

- f. I will not share personal information about myself or anyone else on the Internet. This includes last name, address, phone number, photograph, family information, etc.

10. I will only use my cell phone after school, and I will use it with respect. I will not talk on my cell phone in the media center at any time.

11. I will not bring other hand-held technology to school.

12. I will only use technology for academic purposes during class time. I know that access to non-academic, personal web-pages (including social networks) takes second place to academic use.

13. I will print only when I have permission to do so.

14. I will cite the source of the images or text I use in my projects and will respect copyright laws.

15. I understand that if I don't follow any part of this policy, my technology privileges may be restricted and I may face further consequences as decided by the school administration.

16. I will communicate with my parents about how I use technology (and maybe teach them a thing or two!).

Technology Acceptable Use Policy for Elementary Students

Student's Name: _____ Date: _____

Student's
Username:
