

Technology Acceptable Use Policy (AUP) for Elementary School Students (K – 2)

1. I will use the computers and Internet for schoolwork and learning activities only.

2. When I visit the Tech Lab, I will:

- use good manners
- use appropriate language
- not be hurtful to others
- speak in English

3. I will treat all technology equipment with care.

4. If I don't know how to use any part of the computer equipment, I will ask for help.

5. I will only login using my username. I will not touch other people's files without their permission.

6. I will only use the Internet for learning activities permitted by my teacher:

- a. I am not allowed to search the Internet
- b. I will talk to my teachers or parents if I feel uncomfortable with information I find in the computer

7. I will print only when I have permission to do so.

8. I will teach my parents how to have fun and learn things on the computers and Internet.

Parents, please keep top section at home for reference. Please send bottom slip to classroom teacher.

Technology Acceptable Use Policy for Elementary Students

Student's Name: _____

Date: _____

Student's Username:

Password:

Student:

I understand the rules on the Technology Acceptable Use Policy, and promise to follow them. If I don't follow them I know I may have my computer privileges restricted or taken away.

Parent:

I have discussed these rules with my child, he/she agrees to follow them and I will help him/her do so.

Teacher:

I have discussed these rules with my students and agree to respect them when students use technology in school.
