

Monday Morning Messenger #3 - 24 August 2009

As we complete two weeks at FDR, high school is starting to settle down into the daily routine. We are still trying to iron out a few details with some classes, but for the most part students have eased into their academic programmes.

Students are already busy with co and extra curricular activities. Last week the Peer Group Connection students went of a three day retreat to train how to be peer helpers, with the aim of helping the 9th grade settle into high school.

This weekend the National Honor Society will have a 'sleepover' on Friday night at school. The aim of this is to prepare students as leaders.

Varsity Football and Volleyball began in earnest this week and other after school activities commence on Monday.

The PTA are having their "Welcome Back to School" event on Saturday, August 22nd, from 11:00 a.m. to 3:00 p.m. The more people who attend, the better.

Great to see a good representation of high school parents and students.

Back to School Night is this Wednesday, 26 August at 6.45pm, starting in the Center Stage. A letter has gone out this afternoon to all parents via e-mail.

MYP Presentation – will be held this Thursday at 8.00am in the Roosevelt room. The presentation is mainly for 6th graders but all new families to MYP are welcome to attend.

DP Presentation for Grade 11 parents of Diploma students

Mr. Nicholson, the IBDP Coordinator will be hosting an information and question and answer session on Thursday 3 September in the evening. A letter of invitation will go out early next week.

Student use of e-mail

It has come to my attention that many of the student body does not check their FDR (amersol) e-mail account on a regular basis. We will be talking to students about this at school, but can you mention this to them also. The school e-mail is a wonderful communication tool for the whole community.

We are striving to make decisions that are data informed. Can you please ask your daughter/son to complete the following survey on communication in the high school. It is important for all students to respond. This survey is also located on the HS web site.

To all Club Committees: Please turn in your constitutions by Tuesday September 1st to Mr. Cotner.

Anyone interested in trying out for the HS Plays? "Deathtrap" and "La vida es Bella"auditions are this Monday and Tuesday (from 3.30pm to 4.30pm). Don't miss out on the possibility of participating. You can come either one of the dates. All auditions will be held in L1 (Mr. Galarcep)
